Acapella Hymn of the week. Handel's Messiah is sometimes associated with the holidays, but actually is a "a three-part epic depicting the birth, life, death and resurrection of Jesus. The "Hallelujah Chorus" is probably the most popular part of the 1741 piece." Here are three acapella versions of the 1741 piece. Overall, the piece uses 81 Bible verses from 14 books of the Bible. Isaiah is used most frequently (21 verses). <https://christianchronicle.org/voices-only-a-festive-chorus-of-hallelujahs/>

Bible Club Activities in January. The students in the Bible Club started the year with a sleep over at the Noble House for the young ladies.

A "2021 Year in Review" has been placed on the congregation's web site at www.watongachurchofchrist.org. It reminds us of how God has blessed us throughout the year. A hard copy of the images is available from Joe.

We appreciate the visitors who attended and assisted with services on Dec. 26. Paul Bryan lead the communion service and Adam Einhardt lead a closing prayer.

We are planning a visit by Tanner Henderson and his wife next weekend, **Jan. 16**. Tanner is the campus minister at the Church of Christ Student Center at Oklahoma Panhandle State University in Goodwell south of Guymon, OK. The congregation supports outreach to college students at Southwestern and Northwestern State Universities as well.
