Let us continue to pray for patients, families and care givers affected by this virus. The virus is severely effecting our brethren in Central and South America and world-wide.

Bible Club: The students reviewed Joseph in prison including the interpretation of the dreams of the butler and the baker. Plastic baskets covered with paper had a Bible question. If the student answered correctly, they could "bust through" the paper and win the prize. The memory verse was Philippians 4:13 ***I can do all this by the power of Christ. He gives me strength.***
